SIGMIS & ACM

www.acm.org/sigmis www.acm.org

The **ACM Special Interest Group on Management Information Systems** (SIGMIS) promotes best-practice and research in the management of information systems and technologies and the use of these systems and technologies. SIGMIS is a sponsor of several conferences on information systems and technology. As one of the oldest of ACM's SIGS, SIGMIS traces its beginning back to 1961, and for decades has been instrumental in defining and developing the field of management and information systems. SIGMIS's *Database* newsletter publishes quarterly.

The **Association for Computing Machinery** (ACM) is an educational and scientific computing society which works to advance computing as a science and a profession. Benefits include subscriptions to *Communications of the ACM*, *MemberNet*, *TechNews* and *CareerNews*, full and unlimited access to online courses and books, discounts on conferences and the option to subscribe to the ACM Digital Library.
