Faculty Sponsor:

Prof.(Dr.) Vanita Jain is the Faculty Head of BVCOE ACM Student Chapter. She's the Branch Convener, Dean (Academics) and Head of IT Department at BVCOE.

Email id – vanita.jain@bharatividyaapeeth.edu.

A BRIEF DESCRIPTION OF OUR CHAPTER AND SCHOOL INCLUDING NUMBER OF CHAPTER MEMBERS:

BVCOE ACM [\[link\]](#)

BVCOE ACM Student Chapter was established in May, 2013 with a goal to provide students a better exposure to ideas, experience, and trends in computing. It is fondly called as **ACM BVP** by our student members as they regard "ACM" higher and hence it precedes the name of the college, informally, though against the naming convention. The chapter aims at creating interest among the students in computer science apart from what they learn during the course work. **ACM BVP** is an enthusiastic student wing that brings together computing educators, researchers, and professionals to share their knowledge and experiences, to inspire students, to expand the network.

Our Executive Team consists of about 40 members divided into various departments.

There are a total of 200 local student members and 19 active international student members, from all branches of engineering.

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING

Bharati Vidyapeeth's College of Engineering, New Delhi since its establishment in 1999, has strived to provide the best engineering education to its students through well qualified and dedicated faculty and provision of well-equipped modern labs. Affiliated to Guru Gobind Singh Indraprastha University, New Delhi, and approved by All India Council for Technical Education (AICTE),

Ministry of HRD, Govt. of India, BVCOE is steadily striding forward with the motto of ‘Social Transformation through Dynamic Education’.

PARIVARTAN – CSR Division of ACM BVP

Parivartan (meaning, change) is the Corporate Social Responsibility (CSR) division of BVCOE ACM Student Chapter. It is aimed at facilitating activities that will promote social wellbeing, environmental awareness and ethical commitment towards the college and society at large.

ACM-W BVP – Women Division of ACM BVP [[link](#)]

BVCOE ACM-W Student Chapter was chartered on February, 2016. It strives to achieve the objective of ACM-W to support, celebrate, and advocate internationally for the full engagement of women in all aspects of the computing field by providing a wide range of programs and services for advancement of technical women. We are proud to be the **first ACM-Women chapter of New Delhi**.

Number of students at our college who take computer science and related courses, and typical majors of our chapter members.

At BVCOE, we have the following number of students in the computer science related courses:

CSE (2 shifts): 120 seats

ITE: 120 seats

ECE (2 shifts): 180 seats

EEE: 60 seats

ICE: 60 seats

Our student members hail from various branches like CSE, IT, ECE and EEE.

ESSAY – OUTSTANDING CHAPTER ACTIVITIES

Following is the list of important events conducted by BVCOE ACM Student Chapter in 2015-16 session:

FROSH WELCOME 2.0 [[link](#)]

On 18th August 2015, we organized Frosh Welcome 2.0, i.e., the second Orientation ceremony of BVCOE ACM. To welcome freshers to the college, we began with a treasure hunt called “Know Your College”, which finished with an orientation session. We introduced them to ACM and how BVCOE ACM could give them an edge in their professional life.

DJANGO UNCHAINED [\[link\]](#)

It was conducted by Mr. Yask Srivastava, an entrepreneur and BVCOE ACM Student Chapter member, who shared his extensive knowledge about web development using Django with the room full of learners. Each concept was explained along with a hands on session.

SUCCESS LADDER [\[link\]](#)

This was a session conducted on students' demand by BVCOE ACM in collaboration with HDFC Credila Bank and included a Seminar on "Fulfilling Higher Education Dreams". The students aspiring for higher studies got an insight into educational loans for funding their foreign education. The event concluded with an interactive workshop on Soft Skills to prepare the students before the placement season.

TICKET TO HARVARD [\[link\]](#)

Conducted on 29th September, 2015, this was a session with an alumna from The Harvard University. The mysteries of higher education abroad, including tips on improving the students' chances to get into Ivy League with good scholarships, were unraveled.

NATIONAL WORKSHOP ON INFORMATION RETRIEVAL [\[link\]](#)

A one day National Workshop titled **Foundation and Innovations in Information Retrieval (FIIR-2015)** was organized on 1st October 2015, which was marked by a lecture and a hands-on session by Dr. Sujoy Das, from Maulana Azad National Institute of Technology, Bhopal. This event saw huge participation from both, the students and the research community from Delhi-NCR region.

HOURLY OF CODE [\[link1\]](#) [\[link2\]](#)

The CSR division of BVCOE ACM, "Parivartan" (meaning, change), conducted the Hour of Code on 7th December in a Government School in Delhi. The students of 6th standard were taught the basics of coding on our laptops and wi-fi dongles through tutorials provided by code.org. It was a nurturing experience for the adolescents who did not have computer science in their curriculum till 10th standard. It was an honor to receive a Certificate of Appreciation from the school.

ACM INDIA - EMINENT SPEAKER PROGRAMME [\[link\]](#)

The chapter had invited Dr. Ponnurangam Kumaraguru, who is a faculty at IIIT-DELHI in the Department of Computer Science to talk on "Privacy & Security in Online Social Media" (PSOSM) under the ACM India Eminent Speaker Programme.

ENTHEOS '16 – Annual Techno-Managerial Fest of BVCOE ACM [\[link1\]](#) [\[link2\]](#)

With an exhilarating theme "Colors of Youth", ACM BVP celebrated ENTHEOS (meaning, enthusiasm within) on 29th March, 2016. Galore of technical as well as non-technical events were lined up to satiate the masses, like Internship fair, Technical Quiz, Mirror Coding, and Designing competition. We also conducted the mini version of ACM-ICPC to create awareness about ICPC conducted annually by ACM. The teams which qualified the online preliminary round hosted by HackerRank were invited to compete in onsite final round.
