2. Community Service

The students of batch (2013-2017) made a one day visit to the old age home at AgathiMandiram, Manganam .The students spend time with the inmates over there during the acedamic year (2015- 2016).This helps the students to have views on new social aspect of life

Student Testimonial

“It was by all means a truly wonderful experience spending time with inmates of the old age home. We were truly mesmerized by the care the staffs provide for all the inmates. It brought new dimension to our realization that we are more fortunate than many others and it is our responsibility to stand by and care for them.”
