Prof.(Dr.) Vanita Jain is the Faculty Head of BVCOE ACM Student Chapter. She's the Branch Convener, Dean (Academics) and Head of IT Department at BVCOE.

Email id – vanita.jain@bharatividyaapeeth.edu.

A BRIEF DESCRIPTION OF OUR CHAPTER AND SCHOOL INCLUDING NUMBER OF CHAPTER MEMBERS:

BVCOE ACM [\[link\]](#)

BVCOE ACM Student Chapter was established in May, 2013 with a goal to provide students a better exposure to ideas, experience, and trends in computing. It is fondly called as **ACM BVP** by our student members as they regard "ACM" higher and hence it precedes the name of the college, informally, though against the naming convention. The chapter aims at creating interest among the students in computer science apart from what they learn during the course work. **ACM BVP** is an enthusiastic student wing that brings together computing educators, researchers, and professionals to share their knowledge and experiences, to inspire students, to expand the network.

Our Executive Team consists of about 40 members divided into various departments.

There are a total of 200 local student members and 19 active international student members, from all branches of engineering.

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING

Bharati Vidyapeeth's College of Engineering, New Delhi since its establishment in 1999, has strived to provide the best engineering education to its students through well qualified and dedicated faculty and provision of well-equipped modern labs. Affiliated to Guru Gobind Singh Indraprastha University, New Delhi, and approved by All India Council for Technical Education (AICTE),

Ministry of HRD, Govt. of India, BVCOE is steadily striding forward with the motto of ‘Social Transformation through Dynamic Education’.

PARIVARTAN – CSR Division of ACM BVP

Parivartan (meaning, change) is the Corporate Social Responsibility (CSR) division of BVCOE ACM Student Chapter. It is aimed at facilitating activities that will promote social wellbeing, environmental awareness and ethical commitment towards the college and society at large.

ACM-W BVP – Women Division of ACM BVP [[link](#)]

BVCOE ACM-W Student Chapter was chartered on February, 2016. It strives to achieve the objective of ACM-W to support, celebrate, and advocate internationally for the full engagement of women in all aspects of the computing field by providing a wide range of programs and services for advancement of technical women. We are proud to be the **first ACM-Women chapter of New Delhi**.

Number of students at our college who take computer science and related courses, and typical majors of our chapter members.

At BVCOE, we have the following number of students in the computer science related courses:

CSE (2 shifts): 120 seats

ITE: 120 seats

ECE (2 shifts): 180 seats

EEE: 60 seats

ICE: 60 seats

Our student members hail from various branches like CSE, IT, ECE and EEE.
