

# ACM Weekend at the Computer History Museum January 23 & 24, 2016

## Free for ACM members and their families & friends

Simply bring in this flyer and present it at the check-in desk

The Computer History Museum invites ACM members and their families and friends to be our special guests and enjoy a fun-filled day at the Museum. You'll see the Museum's large-scale 25,000 sf state of the art exhibition, *Revolution: The First 2000 Years of Computing*. *Revolution* celebrates the spectacular history of computing, from mysterious ancient devices to technologies of the future. Journey through 19 galleries displaying over 1000 unique artifacts; discover, in our multi-media displays, the back-stories, development drama, and astonishing breakthroughs of the gadgets, gurus and companies you love, or love to hate! Museum hours are 10 AM- 5PM.

### REVOLUTION and more:

- **Hands On Activities for Families:** get up close and personal with interesting artifacts from computing history.
- **More Exhibits:** Enjoy our additional exhibits & demonstrations of the infamous Babbage Difference Engine, a DEC PDP-1 Restoration, and an IBM 1401 Machine.

### Exclusive offers for ACM members & guests:

- 50% off CHM memberships (any category)
  - Enjoy a delicious lunch at the Cafe with a 10% discount
  - Shop to your (geeky) heart's content with 15% off in our Museum store
