REDUCED MEMBERSHIP DUES (One discount per renewal)

Members of IEEE-CS\$89
ACM Professional Members who are full members of both
the IEEE and the Computer Society are entitled to a \$10 dues
discount (IEEE Computer Society Affiliate Members are not
eligible). On your Renewal Invoice, deduct \$10. To qualify,
please note your IEEE-CS member number in the Current
Services area of your Invoice.

International Computing Societies\$79
Professional Members who belong to one of the societies listed
at www.acm.org/membership/joint-society-member-rates are
entitled to a 20% dues discount. On your Renewal Invoice,
deduct \$20. Indicate the society name and member number in
the Current Services area of your Renewal Invoice to qualify.

membership dues (cont'd)

PAYMENT

Payment accepted by Visa, MasterCard, American Express,
check, or money order in U.S. dollars. For residents outside
the US our preferred method of payment is credit card—but we
do accept checks drawn in foreign currency at the current mon-
etary exchange rate.

CHANGING YOUR MEMBERSHIP STATUS...

From Student to Professional

(Special Student Transition Dues of \$49)

Cross out "Student" in the Member Class section, and write
"Student Transition Rate" on the front of the invoice, and
indicate your dues at \$49. Add the ACM Digital Library for an
additional \$50 (reg. \$99). This one-year-only transition rate
includes all the benefits of Professional Membership. Please
adjust all other publication subscriptions and SIG membership
dues to the Professional Member rates, and adjust Total Amount.

From Professional to Retired or Personal Financial Hardship

If you are at least 60 years of age and have been an ACM mem-
ber for the last 10 years, just write "Retired" on your invoice and
change the Total Amount. If you are experiencing financial
hardship, please change the Dues Amount on your invoice.

RENEWAL INSTRUCTIONS

To CONTINUE current services

Return (or fax) the Renewal Invoice with payment. Payment must be by credit card or check/money order made out to ACM Inc.—in US dollars or the equivalent in Foreign currency.

To ADD services

Under Current Services on your Renewal Invoice, write the title, price, option (i.e., print, online). You may also add services over the phone—refer to the enclosed contact numbers.

For residents OUTSIDE North America

ACM offers Expedited Air (a partial air delivery service) for delivery of publications and SIG newsletters within 2 - 3 weeks—anywhere outside of North America. Refer to the price charts or consult SIG newsletter prices located with the appropriate SIG.

To DELETE services

Cross them off on your Renewal Invoice and deduct that amount. You may not deduct the cost of membership and still subscribe to publications at member rates—nor can you add the ACM Digital Library if you are not an ACM Member. (Professional Membership dues include \$40 toward the *Communications of the ACM* subscription.)

Subscribe to the ACM Digital Library

ACM Professional Members can add a subscription to the ACM Digital Library for \$99.

ACM Student Members have the option to subscribe to either Student Membership PLUS Digital Library (\$42) or Student Membership with Digital Library PLUS Print *CACM* Magazine (\$62).

CONTRIBUTIONS

The ACM Development Fund helps ACM further its Electronic Community Program, including the ACM Digital Library. The Optional Contribution Fund helps ACM maintain its public interest and educational activities. Member dues, subscriptions, and optional contributions are tax deductible under certain circumstances. Please consult your tax advisor.
