The **ACM Special Interest Group on Genetic and Evolutionary Computation** (SIGEVO) operates an annual Genetic and Evolutionary Computation Conference (GECCO) (combining the formerly held International Conference on Genetic Algorithms and Genetic Programming Conferences), supports and periodically operates other specialized conferences and events, provides support for student participation in the activities of the organization and educational activities, and promotes public information about the field of genetic and evolutionary computation.

The **Association for Computing Machinery** (ACM) is an educational and scientific computing society which works to advance computing as a science and a profession. Benefits include subscriptions to *Communications of the ACM*, *MemberNet*, *TechNews* and *CareerNews*, full and unlimited access to online courses and books, discounts on conferences and the option to subscribe to the ACM Digital Library.
