Subscriber  
Renewal  
Guide

**Dear Subscriber:** Your subscription(s) will expire shortly. We urge you to renew quickly to assure continuous service. Please contact us if you have any questions.

Adding Service(s): Just list the service(s) you wish to add on the front of your invoice. Be sure to include the appropriate rate(s). Indicate your new Total Amount.

ACM offers Expedited Air Service—a partial air service for residents outside of North America. Publications will be delivered within 7 to 14 days.

## Special Interest Groups (SIGs)

Special Interest Groups are devoted to specific computing areas, and many SIGs publish conference proceedings and newsletters. Subscribers benefit from specialized information, coverage of the latest events and conferences, and in-depth analysis of issues that general-interest publications often can't provide.
