

About Interactions Magazine

Interactions (IX) is the **bi-monthly publication on human-computer interaction**. IX is the official publication of ACM's Special Interest Group on Computer-Human Interaction, the largest and most influential organization in the usability and user-experience fields and which reaches thousands of designers, managers, researchers and product specialists worldwide who have great influence within their own organizations, institutions, and throughout the industry.

IX, and its companion website interactions.acm.org, is the magazine for professionals interested in the connections between experiences, people and technology.
