

SIGCSE WOW

Healthy Conferences with Worldwide Outreach

- ICER rotates between U.S., Europe and Australasia
- ITiCSE started in 1996 always in Europe
 - Turkey (2010), Israel (2012), Peru (2016)
 - Looking at options on other continents
- Registration strong/steady
 - SIGCSE Symposium (1250)
 - ITiCSE (250)
- Talking with Informatics Europe (IE) about starting a new CS Education conference in Europe

SIGCSE OW Conference Issues

- First time VAT charge for ITiCSE!
 - ITiCSE 2014 in Sweeden
 - 25% Charge for VAT on registration
 - Added \$55 per registration
 - Likely future VAT in European countries
- ICER – youngest conference approaching year 10
 - No growth (around 70)
