**Benefits:****2010 SIGCSE benefits for FY'10****Member Benefits provided to SIGCSE Members:**

- 4 issues of inroads, the SIGCSE Bulletin, including
- One issue (in March) of the Proceedings of the SIGCSE Symposium,
- One issue (in June) that includes columns and interesting articles.
- One issue (in September) of the Proceedings of the ITICSE conference.
- One issue (in December) that includes formally reviewed reports of the ITICSE working groups, columns and interesting articles plus a CD of the ICER Workshop.
- Reduced registration rates for the annual symposium, the ITiCSE conference, and the ICERWorkshop.
- Free access to SIGCSE publication archives through the ACM Portal.
- Access to the SIGCSE-ANNOUNCE and SIGCSE-MEMBERS mailing lists.
- Opportunity to participate in SIGCSE committees on topics of current interest.
- Modest support for researchers who wish to investigate and introduce new ideas in the learning and teaching of computing through SIGCSE Special Project Grants.

- Opportunity to network within a community of computing professionals.

**Community Benefits provided by SIGCSE:**

- Sponsorship of an annual symposium, ITiCSE conference, and ICER Workshop.
  - Working "in-cooperation" with numerous other conferences.
  - Modest travel support for the dissemination of outstanding SIGCSE/ITiCSE/ICER presentations to other "in-cooperation" conferences.
  - Awards for Outstanding Contribution to Computer Science Education and for Lifetime Service.
  - Resources regarding computing education.
  - Reports from SIGCSE committees on topics of general interest, such as teaching discrete mathematics.
  - Opportunity to build special communities related to computing education.
-
