

Chapter Details

Name: ACM-JUIT

Address: Jaypee University of Information Technology Waknaghat, P.O. Waknaghat, Teh Kandaghat, Distt. Solan PIN-173 234 (H.P.), India

Chapter Officers

Chairperson: Himanshu Bansal (himanshu.kanu1234@gmail.com)

Vice-Chirperson: Shubham Singla (s.singla1996@gmail.com)

Secretary: Shruti Mishra (shrut777@gmail.com)

Treasurer: Kushagar Tyagi (k.tyagi273@gmail.com)

Membership Chirperson: Priyanjul Johari (priyanjul5302@gmail.com)

Webmaster: Rudar Daman Singla (damanrudar@gmail.com)

Faculty Sponsor: Dr. Pradeep Kumar Singh (pradeep_84cs@yahoo.com)

Description

ACM-JUIT:

The Association for Computing Machinery (ACM) is an international learned society for computing. The ACM-JUIT is the student chapter in JUIT with its core focus areas in the field of computing, networking, education and technological innovations. The student chapter is focused on a wide range of ACM activities like encouraging students to take an active interest in the emerging and exciting world of computing and facilitating the members by providing guidance in their field of interest. ACM JUIT's mission is to foster and celebrate innovation in Computer Graphics and Interactive Techniques. The organization promotes its vision by bringing people together in physical, on-line, and asynchronous communities to invent, inspire, and redefine the many creative and technical artifacts, disciplines, and industries that are touched by computer' graphics and interactive techniques. The chapter has 92 members.

Jaypee University of Information Technology:

Set up by Act No. 14 of 2002 vide Extraordinary Gazette notification of Government of Himachal Pradesh dated May 23, 2002. Approved by the University Grants Commission under section 2(f) of the UGC Act, vide letter no. F.9-10/2002(CPP-I) dated 09 Dec. 2002.

The University commenced academic activities from July 2002 with undergraduate B.Tech. degree programs in Electronics & Communication Engineering, Computer Science & Engineering, Information Technology, Bioinformatics, and Civil Engineering (from July 2003).

The University is offering M.Tech (Electronics & Communication Engineering), M.Tech (Computer Science & Engineering), M.Tech (Computer Science & Engineering with Specialization in Software System Security), M.Tech (Civil Engineering with Specialization in a)Structural Engineering, b)Construction Management and c)Environmental Engineering), M. Tech (Biotechnology) and M.Tech (Nanotechnology).

The University is offering Ph.D.in Bioinformatics, Biotechnology, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Humanities & Social Sciences, Mathematics and Physics & Materials Science.

Number of Students who take Computer Science and Related Courses: 250

Majors of Chapter Member: Computer Science and Engineering, Information Technology, Electronics and Communication Engineering and Bio-Informatics

ACM-JUIT: Nomination for Outstanding Website

URL: <http://juit.acm.org/>

The ACM-JUIT website is a result of countless hours of hard work and dedication by our web and design team. The website is based on the notion of “fluidic design and aesthetics”. As soon as the organizational structure of our chapter was cemented and the ground work for the forthcoming academic session was laid out, we started working on the website. Multiple designs were submitted for the website. After much scrutiny and thorough discussions over each design, finally a responsive modified bootstrap design was chosen.

The website went live on the morning of 15th September, 2016, and it amassed rave reviews. Since its launch the website has been regularly updated with new features. The main features of our website are –

- Fluidic design
- Responsiveness
- Doodles and Themes for special occasions

The various segments of our website are as follows –

Home

This is the first page that you will see when you visit our site. The home page gives you a brief introduction about our organization. It gives a preview on our working motives, our “Mission, Vision and Values”. You can also visit our Facebook, Google+ and Linked In by clicking on the icons at the bottom of the page.

Team

This page gives an introduction to the affiliates of our fraternity. The Team Page gives you a look at our Faculty members, the Excom, and also the members of the various technical teams.

Register

Visit this page if you want to be a part of our community. The Registration Page contains a php form which you fill. It contains various fields which would give us a perception on your interests. The page activates at the time of registration and is deactivated as soon as the registration ends.

Event

This is the most intriguing page of our website. The Event Page contains updates from all the past, recent, current and upcoming events under the wing of ACM-JUIT. The events are depicted as timeline in an attempt to provide a better view.

Contact

This page contains the all contact information that one might need if they ever want to communicate with us, or want to submit a query. The page contains e-mail addresses of the webmaster and the chapter's query portal.

Dashboard

This feature includes the portal which can be logged in to. It is used by the ACM-JUIT members to update their profiles. It is the prerogative of every person who has joined ACM-JUIT to update their dashboard details. It includes name, contact information and social links of the person.

Directory

This special feature stores the data entered by the ACM-JUIT members. It can be visited by any member, be it an alumni or anyone who is or has been a part of our fraternity. It gives a bird's eye-view of the details of the group members. Thus, contact information can be accessed.

Blog

This attribute enhances our website's exposure and outlook. Viewers can get updates about our community. Various technical events, conferences and news are periodically uploaded, which gives the viewers an insight on our community.
