

ACM Student Chapter Excellence Awards Application

The ACM Student Chapter Excellence Awards Program recognizes chapters that display considerable initiative during the academic year. Chapters who apply must be in a good standing which includes having an active status, a complete chapter officer list and at least 10 chapter members on the Chapter Administrative Interface. There are five categories student chapters may choose from: Outstanding Chapter Activities, Outstanding Chapter Website, Outstanding Recruitment Program, Outstanding Community Service, or Outstanding School Service. **Please submit separate applications for every category your chapter is applying for. Hand-written submissions will not be accepted.**

Application must be submitted to local_activities@acm.org by **March 23, 2018**. In the subject line please state your chapter name and the category for which you would like your chapter to be considered.

The last section of this application will require an essay. Please review the guidelines below for the category you are applying to.

Outstanding Chapter Activities

For ACM student chapters that sponsor a series of exceptional activities throughout the year or have focused their efforts on a single major activity. Tell us about your chapter's most successful activities. Be sure to describe each activity, including how many people participated, how it was funded, and what made it a success. If you have web pages for these activities, include the URLs.

Outstanding Chapter Website

For ACM student chapters that maintain an outstanding chapter website. Tell us about the design and content of your website and any noteworthy features. Also tell us how you created it and what you do to keep it up to date. Don't forget to provide the URL so the judges can check it out.

Outstanding Recruitment Program

For ACM student chapters that have done an excellent job of recruiting chapter members. Tell us about your recruiting program. How do you let students at your school know about your chapter and how do you get them interested in joining? What factors are most critical to your success? How many members does your chapter have?

Outstanding Community Service

For ACM student chapters that have made significant contributions to their communities through one major service project or a series of smaller projects. Tell

us about each project, who it served, and how many people participated. Why was your chapter interested in these particular projects? If you have web pages for these projects, include the URLs.

Outstanding School Service

For ACM student chapters that have made significant contributions to their own schools through one major service project or a series of smaller projects. Tell us about projects that help your fellow students, your department, or your school in general. Tell us about each project, how many people participated, and how it helped your school. If you have web pages for these projects, include the URLs. (Note, if you have worked on projects to help other schools, for example neighboring high schools, apply for the Community Service award rather than the School Service award.)

Please provide a brief description of your chapter and school including number of chapter members (1500 character maximum):

About NSU ACM-W Student Chapter:

NSU ACM-W Student Chapter is a community, persuading girls to get engaged with the technology and the computing field through proper guidance and training. It is the first and only student chapter of ACM-W in Bangladesh. NSU ACM-W SC is committed to empowering women by promoting professionalism in the field of Computer Science. It provides women exclusive opportunities at competitions and events. It was inaugurated on 17th June, 2017.

Number of present Members: 20

The community is divided into 5 subgroups for better execution of our activities.

1. Operation
2. Publication
3. Promotion
4. Corporate
5. Logistics

About North South University (our school):

North South University (NSU) is the first private university of Bangladesh, established in 1992. It has successfully passed its 26 years of journey.

The Electrical and Computer Engineering Department at NSU is a vibrant, forward-looking department. It aims to provide highest educational experience along with highest professional growth.

This department highly appreciates students' co-curricular and extra-curricular activities, for which our students are participating in contests like Mars Rover challenge; winning championship in national and international contests and also getting involved with Industries with their projects in undergraduate level.
