

# ACM PROFESSIONAL MEMBERSHIP APPLICATION

## For Individuals Residing in Economically Developing Countries

ACM, the Association for Computing Machinery, is the premier global community of computing researchers, educators, practitioners and students. We are the leaders and experts who are defining what computing can and should do. We see a world where computing helps solve tomorrow's problems – where we use our knowledge and skills to advance the profession and make a positive impact.

Computing Machinery

# Professional Membership Benefits

## Timely access to relevant information

- Online subscription to *Communications of the ACM*, the essential source for computing professionals
- **acmqueue**, featuring high-quality articles, columns and case studies by and for practitioners
- Optional subscription to the **ACM Digital Library**, with full-text articles from all ACM publications and bibliographic data from the major publishers in computing
- Optional subscription to any of **ACM's more than 60 journals and magazines** at special member-only rates
- **TechNews**, tri-weekly email digest delivering stories on the latest IT news

## Resources to enhance your career

- Optional **ACM Skills Bundle Add-On** – Unlimited access to ACM's collection of thousands of online books, courses, and training videos from **O'Reilly**, **Skillsoft Percipio**, and **Pluralsight** on the latest technologies and most in-demand job skills, and popular vendor certifications
- **ACM Learning Center** for lifelong learning tools and resources
- **ACM TechTalks** – webinars featuring renowned speakers on today's hottest topics in computing
- **ACM ByteCast** – podcast interviews with innovators at the intersection of computing research and practice
- Access to the **ACM Career & Job Center**, to view and apply for top technology jobs, post resumes, create and receive job alerts, and more
- The option to join **37 Special Interest Groups** on all areas of computing
- Discounted registration fees to attend **ACM Conferences**
- **CareerNews**, twice monthly email digest providing career-related topics
- The opportunity to join **ACM local Chapters and Meetups** world-wide – meet other computing professionals and attend seminars and lectures by experts in the field

## Communications tools and benefits

- **MemberNet**, quarterly e-newsletter covering ACM people and activities
- **Ubiquity**, ACM's opinion magazine and forum
- **Email Forwarding Address & Filtering Service** providing members with a free acm.org email address and spam filtering
