Available to ACM Professional Members in three age tiers. Pricing is determined as a multiple of current professional rates. The pricing structure is listed at www.acm.org/membership/life.

Student Membership $19
Access to online books and courses; print subscription to XRDS; online subscription to Communications of the ACM; and more.

Student Membership PLUS Digital Library $42
Access to online books and courses; subscription to the ACM Digital Library; online subscription to Communications of the ACM; print and online subscription to XRDS; and more.

Student Membership with Digital Library PLUS Print CACM Magazine $62
Access to online books and courses; subscription to the ACM Digital Library; print and online subscription to Communications of the ACM; print and online subscription to XRDS; and more.

REDUCED MEMBERSHIP DUES (One discount per renewal)

Members of IEEE-CS $89
ACM Professional Members who are full members of both the IEEE and the Computer Society are entitled to a $10 dues discount (IEEE Computer Society Affiliate Members are not eligible). On your Renewal Invoice, deduct $10. To qualify, please note your IEEE-CS member number in the Current Services area of your Invoice.

International Computing Societies $79
Professional Members who belong to one of the societies listed at www.acm.org/membership/joint-society-member-rates are entitled to a 20% dues discount. On your Renewal Invoice, deduct $20. Indicate the society name and member number in the Current Services area of your Renewal Invoice to qualify.

SPECIAL CIRCUMSTANCES

Retired $74
At least 60 years of age and have been an ACM member for the last 10 years.

Personal Financial Hardship $50
Due to unemployment, disability, or hardship resulting in severely diminished funds for membership.

Spouse Member Options:

Professional Member (no CACM) $68

PAYMENT
Payment accepted by Visa, MasterCard, American Express, Discover, check, or money order in U.S. dollars. For residents outside the US our preferred method of payment is credit card—but we do accept checks drawn in foreign currency at the current monetary exchange rate.

CHANGING YOUR MEMBERSHIP STATUS...

From Student to Professional
(Special Student Transition Dues of $49)
Cross out “Student” in the Member Class section, and write “Student Transition Rate” on the front of the invoice, and indicate your dues at $49. Add the ACM Digital Library for an additional $50 (reg. $99). This one-year-only transition rate includes all the benefits of Professional Membership. Please adjust all other publication subscriptions and SIG membership dues to the Professional Member rates, and adjust Total Amount.

From Professional to Retired or Personal Financial Hardship
If you are at least 60 years of age and have been an ACM member for the last 10 years, just write “Retired” on your invoice and change the Total Amount. If you are experiencing financial hardship, please change the Dues Amount on your invoice.

To ensure continuation of service, please take a moment to renew today!

Expedited Air delivery service is available for Communications of the ACM (the magazine included with membership) for an additional $76. This service is offered to residents outside North America only. Please contact ACM Member Services for details.

What’s New!

• ACM TechTalks featuring renowned speakers on the hottest topics in computing
• The new ACM Digital Library providing an exceptional reading experience on a variety of devices
• Access to popular online books and videos and e-learning courses
• ACM ByteCast – podcast interviews with researchers, practitioners and innovators who are at the intersection of computing research and practice

Details inside

Advancing Computing as a Science & Profession
Why you should renew!

• **Communications of the ACM** – ACM’s flagship magazine, the essential source for computing professionals. cacm.acm.org

• **ACM Digital Library** – optional subscription to full-text articles in ACM journals and magazines, conference proceedings, and SIG newsletters. This critical resource has been completely reengineered offering features and functionality, and a new clean, modern responsive design. dl.acm.org

• **ACM TechTalks** – featuring renowned speakers on topics such as AI Ethics, Computer Vision, Cybersecurity, Data Science, Machine Learning, Microservices, Quantum Computing, and more. learning.acm.org/techtalks

• **ACM ByteCast** – podcast interviews with researchers, practitioners and innovators who are at the intersection of computing research and practice. learning.acm.org/byecast

• **Online books, videos and learning paths** – access to a custom collection from O’Reilly Online Learning. learning.acm.org/e-learning/oreilly

• **Ebooks and journals** – access to thousands of titles from Elsevier’s ScienceDirect. learning.acm.org/e-learning/science-direct

• **Online courses, tutorials, and short videos** from Skillsoft on essential IT skills and popular certifications. learning.acm.org/e-learning/skillsoft

More reasons why you should renew!

• **Career & Job Center** – the perfect place for job seekers and employers in computing to connect. jobs.acm.org

• **ACM Queue** – ACM’s magazine for practicing software engineers, written by engineers for engineers. queue.acm.org

• **XRDS: Crossroads**, the magazine by and for ACM student members. xrds.acm.org

• **TechNews** – tri-weekly email digest on the latest IT news. technews.acm.org

• **CareerNews** – twice-monthly email digest on career-related topics. acm.org/membership/acm-careernews-archive

• **MemberNet** – monthly e-newsletter covering ACM people and activities. acm.org/membership/acm-membernet-archive

• Optional subscriptions to ACM’s 50+ journals and magazines at special member-only rates. acm.org/publications

• Optional subscriptions to 38 Special Interest Groups on all areas of computing. www.acm.org/special-interest-groups

• **Email Forwarding Address & Filtering Service** – free acm.org email address with MailRoute spam filtering.

• **Member Recognition Program** – acknowledges professional accomplishments with three member grades: Senior Member, Distinguished Member, and Fellow. awards.acm.org/advanced-member-grades

RENEWAL INSTRUCTIONS

For full product descriptions see www.acm.org/publications/journals

To **CONTINUE** current services

Return (or fax) the Renewal Invoice with payment. Payment must be by credit card or check/money order made out to ACM Inc.—in US dollars or the equivalent in Foreign currency.

To **ADD** services

Under Current Services on your Renewal Invoice, write the title, price, option (i.e., print, online). You may also add services over the phone—refer to the enclosed contact numbers.

For residents **OUTSIDE** North America

ACM offers Expedited Air (a partial air delivery service) for delivery of publications and SIG newsletters within 2 - 3 weeks—anywhere outside of North America. Refer to the price charts or consult SIG newsletter prices located with the appropriate SIG.

To **DELETE** services

Cross them off on your Renewal Invoice and deduct that amount. You may not deduct the cost of membership and still subscribe to publications at member rates—nor can you add the ACM Digital Library if you are not an ACM Member. (Professional Membership dues include $40 toward the Communications of the ACM subscription.)

**Subscribe to the ACM DIGITAL LIBRARY**

ACM Professional Members can add a subscription to the ACM Digital Library for $99.

ACM Student Members have the option to subscribe to either Student Membership PLUS Digital Library ($42) or Student Membership with Digital Library PLUS Print CACM Magazine ($62).

**CONTRIBUTIONS**

The ACM Development Fund helps ACM further its Electronic Community Program, including the ACM Digital Library. The Optional Contribution Fund helps ACM maintain its public interest and educational activities. Member dues, subscriptions, and optional contributions are tax deductible under certain circumstances. Please consult your tax advisor.
To order a Member Plus Package, you must be a member of the sponsoring SIG. For more information, visit www.acm.org/special-interest-groups.
