WHAT'S NEW

ACM Learning Webinars keep you at the cutting edge of the latest technical and technological developments. Well-known speakers present today's and tomorrow's hottest topics and issues in computing for busy practitioners, educators, students and researchers.

http://learning.acm.org/webinar

ACM Learning Center provides members access to advanced technology courses featuring content Skillsoft and Safari. Members can explore today's hottest computing topics with ACM's online courses and online books which include popular selections from O'Reilly and other leading publishers, now including videos. http://learning.acm.org

ACM's Digital Library is the most comprehensive database of computing literature in the world. The DL simplifies usability, extends connections, and expands content with a wide range of tools and features.

Additional Member Benefits:

• A free email forwarding address with spam filtering.

• Discounts on attending SIG conferences.

• Discounts on ACM publications.

• ACM's Insurance Programs.

• www.acm.org/membership/insurance-programs

• Exclusive member discounts.

• www.acm.org/membership/discounts

Reduced Membership Rates

You may be entitled to a joint membership dues discount if you are a member of an ACM sister society. For more information go to www.acm.org/membership/dues
