

ACM History Committee: Archiving Workshop (May 2014)

- Inspiration: ACM members are planning archives of personal and SIG records
- Workshop to gain knowledge of professional archiving policies and practices, inc. digital
- Build network of ACM members doing archiving projects - U.S. and overseas
- Outreach to SIGS, leadership, members

ACM History Committee: Research Fellowships (ongoing)

- Aim: deeper & wider knowledge of ACM's history
- *Deeper*: research support for histories of ACM activities, SIGs, award winners, conferences
- *Wider*: consider ACM "dimension" of computing in federal government, computer security, ...
- Journal articles, dissertation chapters, conferences
- Long term . . . ACM 75th anniversary
