

# SIGCHI “wow” slide

SIGCHI stimulated and considerably increased:

- international presence (CHI moved to S.E. Asia);
- local chapters, communities, education, public policy awareness;
- involvement in, and relations with, developing world;
- financial health insurance for specialized conferences;
- financial buffer;
- number of quality submissions and registrations to CHI

# SIGCHI “ow” slide

SIGCHI did not find a sustainable way to handle the increasing:

- international presence (CHI moved to S.E. Asia);
- local chapters, communities , education, public policy awareness;
- involvement in, and relations with, developing world;
- financial health insurance for specialized conferences;
- financial buffer;
- number of quality submissions and registrations to CHI
