

# SIGPLAN's Wow

---

- **PLMW** - the Programming Language Mentoring Workshop spread to POPL ICFP OOPSLA  
<http://www.sigplan.org/Conferences/PLMW>
- **AEC** - Artifact Evaluation has spread to PLDI POPL OOPLSA  
<http://www.artifact-eval.org>
- **Hosted HotCRP** - zero-install conference management system  
<https://hotcrp.com>
- **Researchr** - conference web site management system  
<http://conf.researchr.org>
- **Best practices documents** - POPL PLDI have documented best practices  
<http://www.sigplan.org/sites/default/files/PracticesofPLDI.pdf>

# SIGPLAN's Ow

---

- **Open access**
  - failed to secure OA for our papers
- **OOPSLA/ECOOP journal**
  - after two year runaround, failed to create an OOPSLA/ECOOP journal
- **ACM Transparency**
  - failed to improve financial transparency
- **PLDI->TOPLAS publication path**
  - after one year negotiation, still no decision
